

Fundraising

Voicebox are a local community choir who raise money for charities and churches

Last April, they kindly agreed to put on a concert for the IGA, which was to be our first fundraising concert in Oxfordshire – and we raised £495 in ticket sales and donations.

Stephen Mohammad
IGA Volunteer

(Editors comment: Stephen is the first volunteer to raise funds for the IGA. We are extremely grateful to him as we have all learnt a lot of lessons for future events. If anybody requires help for a similar event, please make contact and we will do our best to assist and simplify arrangements.)
